

Learning Intentions: We will summarize our learning so far, and determine the direction our group must go to do further and DEEPER research.

When I am working to meet these criteria....other people will see me doing the following things
<p>Success Criteria #1</p> <ul style="list-style-type: none"> We have written and/or illustrated answers to our foundation questions in our X-books. 	<ul style="list-style-type: none"> Finishing the triangulation of my answers to my foundation questions Summarizing my learning: <ul style="list-style-type: none"> Answering the foundation questions in your own words Talking my answers through Teaching it to someone Adding to our Think/Puzzle/Explore Planning my answer/outline Organizing my X-book for writing/drawing my answers Writing/drawing my answer Giving it to my supervisor
<p>Success Criteria #2</p> <ul style="list-style-type: none"> We have written into our X-books our supervisor-approved questions for deeper research 	<ul style="list-style-type: none"> Adding to our Think/Puzzle/Explore Discussing with my group (possible deeper questions) Using the Question Starters and list of Key Words Using the <i>Key Concepts Grid</i> Bringing the questions to our supervisor for approval Writing the questions into my X-book
<p>Success Criteria #3</p> <ul style="list-style-type: none"> Finalize expert meetings and field trips and have first supervisor meeting. 	<ul style="list-style-type: none"> Learning who our supervisor is Talking with group members/mentor/supervisor about possible experts or field trips Filling out the field trip form/seeking signatures Getting our questions ready! Planning the visit Asking Ms. Shakhnoza for ideas for a field trip or expert Going on field trips Putting dates on the big calendar
