

**Week #7 Learning Intentions:** We will be reflecting on our learning this week and organizing and summarizing our survey data.

I am working to meet these criteria....	....other people will see me doing the following things
<p><b>Success Criteria #1</b></p> <ul style="list-style-type: none"> <li>• Complete a rough draft of your survey report.</li> </ul>	<ul style="list-style-type: none"> <li>• Creating a frequency table               <ul style="list-style-type: none"> <li>○ Expressing frequency as a fraction</li> <li>○ Converting fractions into decimals and percentages</li> <li>○ Rounding to the nearest 100th</li> <li>○ Finding sums of tally marks equal to the number of people surveyed</li> <li>○ Finding sums of decimals close to 1.</li> <li>○ Finding sums of percentages very close to 100</li> </ul> </li> <li>• Organizing and representing data in a chart or graph</li> <li>• Answering questions               <ul style="list-style-type: none"> <li>○ Describing people surveys</li> <li>○ Reporting possible biases in question or survey sample</li> <li>○ Drawing and writing conclusions based on survey data</li> <li>○ Reflecting on what you have learned about your issue</li> <li>○ Formulating follow-up questions</li> </ul> </li> </ul>
<p><b>Success Criteria #2</b></p> <ul style="list-style-type: none"> <li>• Be prepared for your Student Led Conference</li> </ul>	<ul style="list-style-type: none"> <li>• Selecting work samples that accurately show my skills and knowledge.</li> <li>• Complete the Portfolio Item tracking sheet.</li> <li>• Reflect on the degree to which I have demonstrated learner profile attributes and attitudes during exhibition.</li> <li>• Reflect on my growth of transdisciplinary skills during exhibition by completing and annotating my “Flower Garden”</li> <li>• Creating an outline I can follow during my Student-Led Conference.</li> <li>• Organizing my materials and sharing my evidence with a peer</li> <li>• Leading the Student-Led Conference with parent(s)</li> </ul>
<p><b>Success Criteria #3</b></p> <ul style="list-style-type: none"> <li>• Finish the MAP tests for reading and math.</li> </ul>	<ul style="list-style-type: none"> <li>• Getting a good night’s sleep the day before</li> <li>• Eating a healthy breakfast</li> <li>• Doing my best and taking my time answering questions</li> <li>• Reading questions carefully</li> <li>• Respecting everyone’s need for a quiet testing environment</li> <li>• Stretching and taking a bathroom break during the test. (Brain Break)</li> </ul>
